## Hear what our customers have to say about the Sterilis Solutions Advantage

"It's much more economical. It's better for the environment. It reduces risk by eliminating the need to store medical waste on-site. For me, Sterilis {Solutions} was a very easy decision."

**Dr. Amy Forman Taub**  
Advanced Dermatology –  
Lincolnshire, Illinois

"We have been handling regulated medical waste the same way today as when I got into nursing 37 years ago. It's about time someone used technology to protect healthcare professionals."

**Lilian Longo,**  
R.N., M.A.

"With these challenges facing hospitals, molecular diagnostics laboratories, health care centers, and mobile labs, Sterilis Solutions is meeting this challenge headfirst with the Remediator. At SteriLab we have found the Remediator effective, environmental friendly, mobile, safe, economical, and an on-site solution."
